

WITH THE PARTICIPATION OF YAPI KREDİ, ALBARAKA TÜRK CUSTOMERS NOW ARE ABLE TO CONDUCT TRANSACTIONS AT MORE THAN 8500 LOCATIONS

In order to provide better service to its customers, Albaraka Türk, one of the pioneers of participation banking in Turkey, expanded its ATM network in collaboration with Yapı Kredi, which has an extensive ATM network serving all over Turkey, and started to serve its customers with more than 8500 ATM points in total.

Albaraka Türk, which continues its activities in order to serve its customers easily and 24/7 from anywhere, continues to expand its ATM network. Having previously collaborated with PTT to make PTT ATMs available to its customers, the Bank has now collaborated with Yapı Kredi. Thus, Albaraka Türk customers will be able to access financial services much more easily thanks to Yapı Kredi's extensive ATM network.

Albaraka Türk, which started to offer services through more than 8500 ATMs in total together with Yapı Kredi ATMs, allows its customers to perform transactions such as withdrawing and depositing money free of charge within the limits set.

"Albaraka Türk customers have ATMs everywhere in Turkey!"

Stating that with the cooperation of PTT and Yapı Kredi, more than 8500 ATMs all over Turkey are available to their customers free of charge within the specified limits, **Albaraka Türk Digital Channels Assistant General Manager Yasemin Aydın** said, "As Albaraka Türk, we aim to enable our customers to make transactions easily from anywhere, anytime. In this context, strategic collaborations are of great importance for us. We are very happy to be able to continue the ATM cooperation with Yapı Kredi, which we started with PTT. We would like to thank both institutions for their valuable contributions in this process."

Supporting financial accessibility with our widespread ATM network

Stating that increasing access to financial services in Turkey is an important issue, **Yapı Kredi Executive Vice President Yakup Dođan** said: “Thanks to our cooperation with Albaraka Türk, the bank’s customers will be able to receive services from Yapı Kredi ATMs across Turkey in the fastest way possible. In this sense, we are very pleased to contribute to access to financial services in our country as one of the banks with the most widespread ATM network in the sector. We will continue these efforts at full capacity in the coming period.”
