

**ALBARAKA TURK HAS BLAZED A TRAIL ONCE AGAIN BY
ANNOUNCING THE FINANCIAL RESULTS OF THE SECOND
QUARTER THROUGH YOUTUBE**

Albaraka Turk, taking significant steps in accordance with the vision of being the best participation bank of the World, has blazed a trail once again in Turkey by announcing its financial results for the second quarter through YouTube. By the broadcasting it has performed over YouTube which is one of the most effectively used digital channels of the World, it has put its signature under another innovative application in investor relations by relaying financial results to a wider investor group transparently.

Albaraka Turk, the first participation bank of Turkey, has added a new one to its innovative applications. As a reflection of the investments it has made in digitalization, the Bank has blazed a trail in Turkey and announced the second quarter financial results through YouTube channel.

Thanks to the broadcasting carried out by the participation of Malek Khodr Temsah, the Deputy General Manager of Treasury, Investment Banking, Financial Institutions and Investor Relations, and Sadrettin Bağcı, the Manager of Investor Relations, the investors had the chance to listen to information on second quarter financials of Albaraka Turk at first hand.

About the YouTube broadcasting they have performed, Malek Khodr Temsah, Deputy General Manager of Treasury, Investment Banking, Financial Institutions and Investor Relations, said *“While continuing to extend digital transformation in all channels of our Bank, we keep on using digitalization effectively also in investor relations which is of capital importance in terms of specifically disclosure and transparency. As a reflection of this, we have taken another step for an innovative application as the first institution in Turkey announcing its financial results through YouTube channel”.*
